WARNINGS:

- Perform installation with your pinball machine turned off and unplugged from AC power.

WPC95 Backbox Speakers

Remove Existing Backbox Speakers

It is recommended that you completely remove the speaker panel for easier access and removal of the existing backbox speakers.

PinWoofers™ 3-1/2" to 5-1/4" Speaker Interposer

Pictured is the speaker interposer included with your kit.

Mount the Right Interposer

Pictured is the right interposer, installed onto the speaker panel. Use the existing plastic screws to secure the ring to the factory threads already present in the panel.

Mount the Right Speaker

Pictured is the right, 5-1/4" speaker that has replaced the original 3-1/2" speaker.

Mount the Left Speaker

The left speaker bolts directly to the speaker panel and into the factory threads already present on the speaker panel.

Review of the Completed Speaker Panel

Pictured is a view of the completed speaker panel.

Our Sincerest Thanks for Choosing PinWoofers!
